BACKGROUND

On July 16, 1996, the Board approved Ordinance No. 96-115 which authorizes issuance, subject to approval by special election, \$200 million in general obligation bonds for park projects; establishes a Citizens' Oversight Committee and empowers it to administer the bond program; and designates entities and projects eligible for bond funding. At the November 5, 1996 Special Election, 67% of those voting approved the bond program.

On May 6, 1997, the Board appointed the Citizens' Oversight Committee. In July 2007 and October 2007, consistent with SNP Oversight Committee Resolution R-1-03 (Attachment 1), the Committee reviewed written requests for re-authorization of unexpended bond proceeds from 2001 and 2002 expired contracts. After consideration of SNP staff recommendations, the Committee approved by two-thirds majority vote to re-authorize \$609,252 in recaptured bond funds.

In accordance with Ordinance No. 96-115 and Master Bond Resolution No. R-1193-97, the Committee has submitted the attached Report (Attachment 2) recommending allocation of \$609,252 in grant awards from Safe Neighborhood Parks Recaptured Funds to specific entities for specific projects.
